DETAILED ACTION

(1)

Election/Restrictions

Applicant's election without traverse of Group I, claims 1-39 in the paper filed October 30, 2003 is acknowledged.

(2)

Allowable Subject Matter

Claims 1-39 have been found to be allowable over the prior art of record.

(3)

The following is an examiner's statement of reasons for allowance:

Methods for the manufacturing of refastenable absorbent articles (diapers), such as those disclosed in U.S. Patent Nos. 6,454,751 to Olson; 6,409,858 to Popp et al.; 6,395,115 to Popp et al.; 6,328,725 to Fernfors; 6,099,516 to Pozniak et al.; 5,578,152 to Goulait et al.; and 4,253,461 to Strickland et al.; are known in the art. U.S. Patent No. 6,395,115 to Popp et al. and Fernfors, for example, disclose one such method wherein a body panel web is continuously moved in a machine direction followed by the application of a plurality of discrete fastener pieces to the body panel web also spaced in the machine direction, wherein the body panel web and fastener pieces are successively cut along a cross direction between the first and second ends of each of the fastener pieces thereby forming a plurality of discrete body panels each comprising opposite side edges and a plurality of fastener members. Although Strickland et al. disclose that it is known to provide absorbent articles with a plurality of pairs of fastener members, none of the prior art of record specifically teaches or suggests such a method, as set forth in applicant claims 1 and 24, wherein the successive cutting of the body panels and fastener pieces along a cross direction at a location between the first and second ends of each of the fastener pieces results in the formation of a plurality of discrete body panels each comprising opposite side edges and a plurality of pairs of fastener pieces.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
